Experience

My web design experience encompasses everything from conception to completion. I am highly knowledgeable in HTML, CSS and industry-standard applications such as Adobe Creative Suite, Figma and Sketch. I have extensive knowledge and experience in all versions of Bootstrap and creating mobile experiences with responsive web design. I have experience with PHP, MySQL and JQuery along with extensive WordPress/CMS experience .

My management experience includes managing a large scale organization, considering applicants, conducting interviews and general day-to-day management.
